The permit shall be affixed to the backside of the rear view mirror on the passenger side. Replacement permits for newly owned cars can be purchased for \$5.00, and the old permit will be voided.

For your reference, below is a summary from the Londonderry Township Refuse Disposal Ordinance, Chapter 117 of the Londonderry Township Code. The entire ordinance can be obtained at the Township office.

In order to meet the needs of the residents of Londonderry Township, the Township provides facilities for the collection, storage and removal of refuse generated by residents of the Township. No dead animals, manure or barn waste shall be accepted. No hazardous waste shall be deposited. No construction waste, including but not limited to shingles, sheetrock, pipes, or furniture shall be delivered or deposited. No refuse generated on or by a commercial or industrial property may be delivered or deposited. No refuse from properties located outside Londonderry Township shall be delivered or deposited at the transfer station. No burning shall take place.

The manager at the transfer station may request the person delivering refuse to the transfer station to provide positive identification. Persons delivering refuse on behalf of a resident shall provide to the manager a signed written request for such service from the resident, including permit number. Commercial collectors are specifically prohibited from delivering or depositing refuse at the transfer station.

Any person who violates this ordinance is subject to a fine not to exceed \$1000.

I, hereby, agree to the Regulations for delivery and depositing of refuse at the transfer station as written in the Londonderry Township Code § 117.
